

## Archer Mathieson Finance

Interim management & executive recruitment  
Archer Mathieson is the UK's number one interim management provider outside of London - recognised by Executive Grapevine's 2007 report.

### Typical Roles

An interim manager's daily rate can span from £350 to £1500 per day depending on the skill set needed for each particular assignment. Our clients are diverse in size and sector – most of our business has been developed through targeted marketing, personal recommendation from existing clients and by achieving first class performance & service levels.

### Examples of finance assignments:

- > Business Process Analysts – FTSE 150 services business
- > Shared Service Centre Director – International FMCG
- > CFO – VC backed retailer
- > Finance Projects Director – Consumer services
- > Integrations Director – FMCG Plc
- > Director of Change, Finance – US conglomerate
- > ERP Project Manager – International manufacturing
- > Audit and Risk Specialist – Financial services

### More about Archer Mathieson...
