'I was extremely happy with the support from Archer Mathieson throughout the recruitment process. They carefully balanced the needs of the employer with those of my own as a candidate. They are clearly respected by the organisations they represent and I would have no hesitation working with them again'
**Procurement Category Manager,
International Airline**

'Archer Mathieson go about their work in a decent, honest and professional manner. Their consultants are completely reliable, and willing to go the extra mile to get the job done. Their open, relaxed and good-natured approach leaves you feeling that you are in the hands of someone you can trust. In summary, it's a pleasure to recommend them'
**Purchasing and Supply-Chain
Director, IT services**

'I have worked with Archer Mathieson both as a client and candidate. I was impressed by the strong business relationships they forge, the high level of engagement given to each assignments and the understanding of both client and candidate requirements. I would have no hesitation in recommending them'
**Head of Supply Chain,
Market Leader, Retailing**
